

PTC ENVIRONMENTAL POLICY

PTC is committed to the achievement of outstanding environmental performance and sustainable development of **PTC's** natural and built environment for the benefit of present and future generations.

PTC makes the following commitments both in respect of its own activities and, where appropriate, in its influence over the wider community:

- To seek to minimize the waste produced from **PTC** activities, to recycle and to support the implementation of the Zero Waste Strategy.
- To ensure that all staff are aware of our environmental standards and shared responsibilities and encourage improvement in our supply chains and partnership networks.
- To maintain continuous improvement by reviewing corporate policies and strategies to ensure integration of sustainable development principles and practices.

To meet the commitments, **PTC** will:

- Use this policy as a framework for setting objectives and targets for environmental improvement.
- Operate a procurement and contracting policy that conforms to these objectives.
- Communicate the requirements of this policy to all employees, suppliers and partners.
